

T Series Garden Tractor

T60

T Series tractors feature a push-button controlled power take-off for driving accessories

Heavy duty cast axle adds strength, enabling the tractor to withstand the stresses of uneven terrain

Access on and off the tractor is made easy with a shaped steering wheel and adjustable seat position

Powered by
Kawasaki

A mid-range garden tractor, highly capable for most applications. The new T60 garden tractor is the 'stalwart' of the Westwood range. It is ideal for customers with a large garden who don't want to compromise the quality of finish for the convenience of a ride-on lawnmower.

Fitted with a 107cm (42") XRD cutter deck, the T60 can operate in conjunction with the optional Powered Grass Collector or as a rough cutter. To tackle dense grass, brambles or nettles, configure the T60 with a 92cm (36") High Grass Mulching deck.

OUR PRICE £4599.00 with Free PGC

	ENGINE	TRANSMISSION	STANDARD CUTTER DECK	HIGH GRASS MULCH DECK	OPTIONAL POWERED GRASS COLLECTOR CAPACITY
T60	Kawasaki FS481V Twin cylinder 603cc	Hydrostatic	107cm (42") XRD rear discharge	92cm (36")	300 litres

FEATURES	BENEFITS
Cut and collect system	✓ Cut and collect grass fully even when it's wet using the optional Powered Grass Collector
	✓ Stripe a lawn with the optional grass collector's integrated roller
Premium quality engines	✓ T60 tractors use premium spec twin cylinder Kawasaki engines. These are selected for their power, economy and durability
	✓ Extra strong cast axle with useful tie-down points
Heavy duty construction	✓ Painted components have surpassed 500 hours of continuous salt spray exposure without corrosion
	✓ The tractor is protected from accidental impact damage by the tough tubular bullbar bolted to the tractor's chassis
	✓ Low noise operation is a result of the double skinned bonnet which reduces engine noise, and the cutting and collection system which minimises air disturbance from the cutting blades, reducing unwanted sound
	✓ Strong, durable single pressed body
Dashboard / Display / Operating Management System (OMS)	✓ Regularly used controls are at your fingertips thanks to the ergonomic dashboard layout
	✓ Warnings and indicators are visible at all times on the simple-to-use dashboard display.
Power take-off	✓ Drive a range of accessories for year-round garden care by using the push-button controlled power take-off
Choice of decks	✓ Standard deck is a 107cm (42") rear discharge XRD. Use the optional 92cm (36") HGM deck for cutting tall grass and nettles
Easy access	✓ Access on and off the tractor is made easy with a shaped steering wheel and adjustable seat position
Park brake	✓ The tractor cannot be started unless the brake is engaged. This safety device is fitted as standard on all Westwood models
Easy-to-use pedals and levers	✓ Pedals and levers are positioned within easy reach of the operator and have been engineered to be lightweight-to-use
	✓ Deck height adjustment is light, smooth and easy-to-use thanks to a clever gearing system through nine incremental settings
Hydrostatic transmission	✓ One pedal controls forward speed. Press it further and your speed increases. Release it and you slow down
